Member understands that during Member's participation in hikes and/or walks, including culminating event hikes and/or walks, led by SBGAL (hereinafter collectively referred to as "Outings"), Member may be exposed to a variety of hazards and risks, foreseen or unforeseen, which are inherent in Outings and cannot be eliminated without destroying the unique character of the Outings.

These inherent risks include, but are not limited to, the dangers of serious personal injury, property damage, and death ("Injuries and Damages") from exposure to the hazards related to the Outings and SBGAL has not tried to contradict or minimize Member's understanding of these risks. Member acknowledges and agrees

acknowledges and agrees that risks of such Injuries and Damages are involved in all Outings and Member understands that Member has to exercise extra care for the well being of Member and others in the face of such hazards. For this reason, 1. Member certifies that Member is fully capable of participating in all Outings. Therefore, Member assumes full responsibility for Injuries and Damages and expenses thereof as a result of those inherent risks and dangers and Member's negligence in participating in all Outings. The Member understands that the Outings may be hazardous to Member. Member hereby expressly and specifically assumes the risk of injury or harm which relates to or arises out of the Outings and releases SBGAL and its agents, successors and assigns from any and all liability from injury, illness, death, or property damage relating to or arising out of the Outings. 2. Member acknowledges and agrees that participation in all Outings is at the discretion of SBGAL. 3. Member acknowledges and agrees that each Outing officially begins and ends at the location(s) designated by SBGAL. Member further acknowledges that each Outing does not include carpooling, transportation, or transit to and from the Outing, and that Member is personally responsible for all risks associated with this travel. If Member decides not to complete any Outing as planned, Member agrees to assume all risks inherent in the decision to leave and waives all liability against

SBGAL arising from that decision. Likewise, if SBGAL has concluded an Outing, and Member decides to go forward without SBGAL, Member agrees to assume all risks inherent in Member's decision to go forward and waives all liability against SBGAL arising from that decision. 4. Member does hereby release and forever discharge and hold harmless SBGAL and its agents, successors and assigns from any and all liability, claims, and demands of whatever kind or nature, either in law or in equity, which arise or may hereafter arise from Member's participation in the Outings. Member understands that this Release discharges SBGAL from any liability or claim that the Member may have against SBGAL with respect to any bodily injury, personal injury, illness, death, or property damage that may result from Member's participation in the Outings, whether caused by the negligence of SBGAL or its agents or otherwise. Member also understands that SBGAL does not assume any responsibility for or obligation to provide financial assistance or other assistance, including but not limited to medical, health, disability, or worker's compensation insurance in the event of injury or illness incurred by Member. 5. Should SBGAL or anyone acting on its behalf, be required to incur attorney's fees and costs to enforce this agreement, Member agrees to indemnify and hold them harmless for all such fees and costs. 6. Member certifies that Member has adequate insurance to cover any injury or damage Member may

cause or suffer while participating in the Outings, or else Member agrees to bear the costs of such injury or damage. Member does hereby release and forever discharge SBGAL and their agents, successors and assigns from any claim whatsoever which arises or may hereafter arise on account of any first aid, treatment, or service rendered to Member. The Member understands that, except as otherwise agreed to by SBGAL in writing, SBGAL does not carry or maintain health, medical, disability or worker's compensation insurance coverage for any Member. Member further acknowledges and agrees that on all Outings there may not be rescue or medical facilities or expertise necessary to deal with the Injuries and Damages to which Member may be exposed. 7. Member agrees that if any portion of this agreement is found to be void or unenforceable, the remaining document shall remain in full force and effect. Member expressly agrees that this Release is intended to be as broad and inclusive as permitted by the laws of the State of California, and that this Release shall be governed by and interpreted in accordance with the laws of the State of California. Member further acknowledges and agrees that on all Outings there may not be rescue or medical facilities or expertise necessary to deal with the Injuries and Damages to which Member may be exposed. 7. Member agrees that if any portion of this agreement is found to be void or unenforceable, the remaining document shall remain in full force and effect. Member expressly agrees that this Release is intended to be as broad and inclusive as permitted by the laws of the State of California, and that this Release shall be governed by and interpreted in accordance with the laws of the State of California. I Agree to RELEASE AND WAIVER OF LIABILITY (click on box if you agree)-This RELEASE AND WAIVER OF LIABILITY (the "Release") is agreed to by the undersigned "Member" in favor of Santa Barbara Girlfriends Adventure League (dba SBGAL), its officers, directors, employees, representatives, agents, volunteers, participants, and all other persons or entities acting in any capacity on its behalf (hereinafter collectively referred to as "SBGAL"). Member understands that during Member's participation in hikes and/or walks, including culminating event hikes and/or walks, led by SBGAL (hereinafter collectively referred to as "Outings"), Member may be exposed to a variety of hazards and risks, foreseen or unforeseen, which are inherent in Outings and cannot be eliminated without destroying the unique character of the Outings. These inherent risks include, but are not limited to, the dangers of serious personal injury, property damage, and death ("Injuries and Damages") from exposure to the hazards related to the Outings and SBGAL has not tried to contradict or minimize Member's understanding of these risks. Member acknowledges and agrees that risks of such Injuries and Damages are involved in all Outings and Member understands that Member has

to exercise extra care for the well being of Member and others in the face of such hazards. For this reason, 1. Member certifies that Member is fully capable of participating in all Outings. Therefore, Member assumes full responsibility for Injuries and Damages and expenses thereof as a result of those inherent risks and dangers and Member's negligence in participating in all Outings. The Member understands that the Outings may be hazardous to Member. Member hereby expressly and specifically assumes the risk of injury or harm which relates to or arises out of the Outings and releases SBGAL and its agents, successors and assigns from any and all liability from injury, illness, death, or property damage relating to or arising out of the Outings. 2. Member acknowledges and agrees that participation in all Outings is at the discretion of SBGAL. 3. Member acknowledges and agrees that each Outing officially begins and ends at the location(s) designated by SBGAL. Member further acknowledges that each Outing does not include carpooling, transportation, or transit to and from the Outing, and that Member is personally responsible for all risks associated with this travel. If Member decides not to complete any Outing as planned, Member agrees to assume all risks inherent in the decision to leave and waives all liability against SBGAL arising from that decision. Likewise, if SBGAL has concluded an Outing, and Member decides to go forward without SBGAL

forward without SBGAL, Member agrees to assume all risks inherent in Member's decision to go forward and waives all liability against SBGAL arising from that decision. 4. Member does hereby release and forever discharge and hold harmless SBGAL and its agents, successors and assigns from any and all liability, claims, and demands of whatever kind or nature, either in law or in equity, which arise or may hereafter arise from Member's participation in the Outings. Member understands that this Release discharges SBGAL from any liability or claim that the Member may have against SBGAL with respect to any bodily injury, personal injury, illness, death, or property damage that may result from Member's participation in the Outings, whether caused by the negligence of SBGAL or its agents or otherwise. Member also understands that SBGAL does not assume any responsibility for or obligation to provide financial assistance or other assistance, including but not limited to medical, health, disability, or worker's compensation insurance in the event of injury or illness incurred by Member. 5. Should SBGAL or anyone acting on its behalf, be required to incur attorney's fees and costs to enforce this agreement, Member agrees to indemnify and hold them harmless for all such fees and costs. 6. Member certifies that Member has adequate insurance to cover any injury or damage Member may cause or suffer while participating in the Outings, or else Member agrees to bear the costs of such injury or

damage. Member does hereby release and forever discharge SBGAL and their agents, successors and assigns from any claim whatsoever which arises or may hereafter arise on account of any first aid, treatment, or service rendered to Member. The Member understands that, except as otherwise agreed to by SBGAL in writing, SBGAL does not carry or maintain health, medical, disability or worker's compensation insurance coverage for any Member. Member further acknowledges and agrees that on all Outings there may not be rescue or medical facilities or expertise necessary to deal with the Injuries and Damages to which Member may be exposed. 7. Member agrees that if any portion of this agreement is found to be void or unenforceable, the remaining document shall remain in full force and effect. Member expressly agrees that this Release is intended to be as broad and inclusive as permitted by the laws of the State of California, and that this Release shall be governed by and interpreted in accordance with the laws of the State of California. Member agrees that in the event that any clause or provision of this Release shall be held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not otherwise affect the remaining provisions of this Release which shall continue to be enforceable. By signing this document, Member acknowledges and agrees that if Member suffers Injuries and Damages during an

Outing, Member may be found by a court of law to have waived Member's right to bring a lawsuit against SBGAL on the basis of any claim from which Member has released SBGAL from herein. Member has had sufficient opportunity to read this entire document, has read and understood it, and agrees to be bound by its terms.
